

H.M.S. AJAX,

2ND BATTLE SQUADRON.

22/12/14

Dear Cousin Jennie,

Many thanks for sending
of the 3 cases & I will see
that the Bug men get the special
parcels.

It is very good of you to have
done so much & I am writing to
the two ladies whose names you give.
Books have come & went a long
way, you are the first person who
seems to have realised that its numbers

we want, two or three don't go
far.

I will write again when cases
arrive.

Please send thank the girls from
me for the things & I send them
a photo for the school.

We are all very well & days
so very fast. It is a better
job this I think for those
without wives & children.

Yours

affect

F. Hitchcock
